

## ASTRA2 EXPRESSION OF INTEREST

This EOI form **MUST** be completed prior to submitting an application for ASTRA2 funding and must be submitted (by email to [wcbresearchapplications@cf.ac.uk](mailto:wcbresearchapplications@cf.ac.uk) with the subject line 'ASTRA 2 EOI') by 12pm on 1<sup>st</sup> November 2019. WCB will contact you to discuss requirements between 4<sup>th</sup> and 15<sup>th</sup> November. A costing will be generated by WCB by 15<sup>th</sup> November and must be included with the full application form (deadline for full applications 5pm on 13<sup>th</sup> December 2019). Only applications that have sample requirements that can be fulfilled by the Wales Cancer Bank will be considered. Please note that following approval and awarding of ASTRA2 funding, sample and/or data requirements cannot be altered.

Researcher name.....

### SAMPLE AND DATA REQUIREMENTS

Please state the **exact** samples and/or data you need.

Tumour type required (eg. colorectal, prostate etc) **AND** please specify the number of unique cases

.....

.....

.....

Sample type (eg. serum, FFPE sections etc)

Fresh Tissue	<input type="checkbox"/>	Frozen Tissue	<input type="checkbox"/>	FFPE Tissue	<input type="checkbox"/>
Plasma	<input type="checkbox"/>	Serum	<input type="checkbox"/>	Whole Blood	<input type="checkbox"/>
DNA/RNA	<input type="checkbox"/>	Data	<input type="checkbox"/>		

Other (please specify): .....

Do you require matched samples (eg. tissue and blood from the same patient)? If yes, please specify

.....

If you require tissue, do you need tissue from primary or metastatic samples?

.....

Volume of liquid sample required (where applicable)

.....

Thickness and number of FFPE section required (where applicable)

.....

Eligibility criteria (please tick all that apply and specify criteria)

Age at diagnosis  .....

Gender  .....

Diagnosis	<input type="checkbox"/>	.....
Stage/Grade	<input type="checkbox"/>	.....
Receptor status	<input type="checkbox"/>	.....
Tumour mutation status	<input type="checkbox"/>	.....
Length of follow up data available	<input type="checkbox"/>	.....
Treatment naïve	<input type="checkbox"/>	.....
Treatment received (eg. specific chemo)	<input type="checkbox"/>	.....
Relapsed or died (from cancer)	<input type="checkbox"/>	.....
